

CALL FOR PAPERS

Special Issue *the North American Journal of Economics and Finance*

Coping with Financial Market Risks in Asia

Guest Edited by

Carl Chen, University of Dayton

Ying Sophie Huang, Zhejiang University

The special issue invites submission of papers that deal with topics related to financial market risks and risk management in Asia, especially in China. Both theoretical and empirical contributions are welcome.

Topics of interest include, but are not limited to the following:

- Sovereign debt and financial crisis
- Risk spillover between financial markets
- Bank capital management
- Systematic risk management
- Credit risk management
- Corporate hedging

The deadline for submissions is June 30, 2012. Papers will be blind peer reviewed. Authors will be notified within 3 months of submission on editorial decisions. The special issue is scheduled for publication in late 2012.

Each submission should include two PDF files of the manuscript, one with author information and the other without author information for a blind review process. All manuscripts should be double-spaced and submitted in PDF format to Carl.Chen@notes.udayton.edu and sophiehuangying@zju.edu.cn. The submission fee is USD80. Check or money order made payable to NAJEF should be sent to: Carl R. Chen, Department of Economics and Finance, University of Dayton, 300 College Park, Dayton, OH 45469-2251.
